## CHILD DEDICATION

A ceremony in which we celebrate a parent's commitment to raise their child to know and become like Jesus. On the day of child dedication, a special reception is held for each family participating in the child dedication ceremony.

Are you expecting a child or planning to adopt? Visit [www.lscckc.org/families](http://www.lscckc.org/families) to let us know.

## TRANSITION TO ELEMENTARY SCHOOL

Most children begin reading on their own around the time they enter first grade. This is a great opportunity to equip children to explore scripture on their own or at home with their parents. Each child entering elementary school will receive a bible during a special ceremony.

## BAPTISM

Baptism is a public demonstration of one's commitment to follow Jesus. Our baptism celebration takes place approximately four times a year.

## 6TH GRADE STEP UP

Moving from LSCC Kids to LSCC Students is an important milestone that we want to recognize and celebrate as a church. There are several events within 6th Grade Step Up that are designed to help students transition into student ministry.

## TRANSITION TO HIGH SCHOOL

As a combined student ministry, we realize the importance of a student's transition from middle school to high school. LSCC Students offers several opportunities created specifically for High School students to help them clarify values and strengthen their community.

## HIGH SCHOOL GRADUATION

As a student transitions out of high school, we want to partner with them into the next chapter of their life. The events surrounding Senior Sunday are designed to equip, support and celebrate our graduating seniors.
